THIS REPORT IS HIERARCHY BASED. CRIME TOTALS REFLECT ONE OFFENSE (THE MOST SEVERE) PER INCIDENT.

These statistics are drawn from the Oakland Police Dept. database. They are unaudited and not used to figure the crime numbers reported to the FBI's Uniform Crime Reporting (UCR) program. This report is run by the date the crimes occurred. Statistics can be affected by late reporting, the geocoding process, or the reclassification or unfounding of crimes. Because crime reporting and data entry can run behind, all crimes may not be recorded.

* Justified, accidental, foetal, or manslaughter by negligence.

Traffic collision fatalities are not included in this report. Unclassified burglaries included in the burglary total.

PNC = Percentage not calculated — [Percentage cannot be calculated](#). All data extracted via CrimeTracer Analytics.
